SCHOOL DISCLAIMER

Texas Private Investigator School (TX DPS Lic #Y31121301) does not offer financial aid or is associated with Veteran Affairs (VA) for tuition assistance. School fees do not include state licensing fees. State licensing fees vary depending on the student’s former or active law enforcement/military status. All students must participate in classroom lectures and attend all field training exercises. All quizzes and final exam must be least 85% of higher. Students may retake quizzes or final exam if need be. Students must pay all tuition fees in full prior to receiving a certificate of completion and/or forwarded for employment opportunities. All students will be guided with their state licensing requirements. Students will automatically enter an internship program with **Metropolitan Private Investigations** (TX DPS Lic #A30829901) until he or she has received their state issued PI endorsement. Once a student officially becomes a licensed private investigator, he or she will begin as a part-time employee until a full-time position is available. All students must have their own vehicle, laptop, cell phone and handheld camcorders.
